It is a perfect time to increase public awareness of the role building safety and fire prevention officials, local and state building departments, and federal agencies play in protecting lives and property. WHEREAS, *this year, as we observe Building Safety Week, we ask all Americans to consider projects to improve building safety at home and in the community, and to recognize the local building safety and fire prevention officials and the important role that they play in public safety.*

NOW, THEREFORE, as Mayor of the City of Bartlett, Tennessee, I do hereby proclaim that May 3 through May 9, 2009 as
